

Each year The State Bar of California offers lawyers in California an opportunity to contribute to the legal profession and the public by volunteering to serve on one of the State Bar's committees. For 2012-13, the State Bar is recruiting applicants for 48 entities (10 standing committees, 16 section executive committees, 20 special committees, boards and commissions, and two external groups). In 2012, the State Bar's Board of Trustees (Board) will appoint approximately 150-200 new members. The Board strives to make appointments that will achieve diversity and broad representation.

THE APPOINTMENT PROCESS

The participation of all State Bar members throughout the State of California is encouraged. From time to time, the Board will appoint public members (i.e., representatives of other professions, members of the public, or lawyers who are not admitted in California). The State Bar complies with all applicable anti-discrimination laws in its appointment process.

Eligibility / Appointment Policies. Applicants may apply to a maximum of three committees but can be appointed to only one. In no case will the Board appoint a person who is subject to disciplinary probation. Factors that militate **against** appointment, but are weighed among other factors, include: 1) if a lawyer appointment, whether there is any public information known to the State Bar about the applicant or a record of public discipline; 2) whether any other member of applicant's firm is on the committee; and 3) whether the applicant previously served on the committee. Due consideration will be given in the appointment process to the budget impact of any additional costs that may be incurred by the State Bar due to the service of out-of-state members.

Applicants to a **section executive committee** must be members of that section to be eligible for appointment, and the level of each applicant's involvement in the section's activities is a factor considered during the appointment review. Specific requirements for individual committees are noted in the committee descriptions on the following pages.

Appointment Term. Members generally serve three-year terms. A few committees have two or four-year terms. On occasion, the Board may appoint a member to an unexpired vacancy (i.e., the appointee serves only the remaining portion of the term of the member who resigned). The State Bar's committee year runs from Annual Meeting to Annual Meeting. The 2012-13 committee year starts at the close of the 2012 State Bar Annual Meeting (Oct. 14, 2012) and ends at the close of the 2013 State Bar Annual Meeting (Oct. 13, 2013). The new 2012-13 terms commence at the close of the 2012 State Bar Annual Meeting (Oct. 14, 2012).

Time Commitment and Committee Service. Committees differ in the number of meetings scheduled in a year, but a typical meeting requires two to four hours of preparation and at least four to six hours of attendance. The meeting locations tend to alternate between San Francisco and Los Angeles, and some meetings may be conducted by conference call. An additional time commitment may be required for special tasks and projects.

Committee members take an oath of office and receive no compensation for services. Committee members may be reimbursed for approved travel expenses in accordance with the State Bar's policies and the committee's budget.

Application. All applicants are to file the 2012-2013 Appointment Application. Unless otherwise published at the State Bar website, the deadline for most committees is **February 1, 2012**. Filing instructions are found at the last page of the 2012-13 application form. All applications and letters of recommendation must be submitted to the State Bar's Appointments Office.

Application Review and Board Appointments. The committees review the appointment applications and forward their recommendations for appointment to the Board's appointments committee. In 2012, that committee is the Nominations and Appointments Committee, aka NAC. NAC will consider the appointments between May and July, and will forward its recommendations to the Board. The ultimate authority to make appointments rests with the Board.

Notification. Applicants normally are notified of the Board's appointments as early as possible following the Board's July meeting so that new members can participate in the State Bar's Annual Meeting. Any applicant who does not receive notification by the last day of the State Bar Annual Meeting (Oct. 14, 2012) should contact the Appointments Office.

Applications of those not selected will be kept on file for approximately one year for consideration for vacancies that may arise during the 2012-13 committee year.

Descriptions of the committees follow.

The purpose of these entities is to advise and serve the Board with regard to an immediate concern relating to the administration of justice or the practice of law. These committees are given a specific, clearly articulated charge, and a specific deadline for the completion of their task(s).

California Commission on Access to Justice. The 26-member commission of lawyers and judges, as well as academic, business, labor and community leaders, was established to explore ways to improve access to civil justice for Californians living on low and moderate incomes. The commission was instrumental in establishing the \$10 million Equal Access Fund for civil legal services to the indigent and works closely with the Judicial Council to improve access to the courts. Members also serve on one or more subcommittees. The State Bar appoints 10 members to the commission; the remaining 15 members are appointed by other statewide entities. Terms are three years and members may serve two consecutive terms.

Bar to the young lawyer organizations within the state and screen candidates for the annual Jack Berman Award of Achievement. Membership is a time-consuming obligation. Meetings require research and reading, and outreach efforts can occupy up to ten hours/month. The average full committee meeting may take six to seven hours on a Friday or Saturday. Subcommittee meetings occur on a more ad hoc basis, but can entail one or more conference calls/month. A member can expect to devote no less than one to two weeks of typical workdays/year.

LEGAL SPECIALIZATION

Board of Legal Specialization. The Board of Legal Specialization (BLS) administers the State Bar of California Program for Certifying Legal Specialists, assisted by advisory commissions in each area of certified specialty. BLS recommends rules and provides policies and guidelines for certification of specialists; develops testing and legal education criteria for specialists; develops outreach efforts to increase awareness of the program and advises the State Bar's Board of Governors on establishment of specialty fields and appointment of advisory commissions.

BLS consists of 11 members and one advisor (who is generally the immediate past chair); at least three must be non-lawyer public members. The group generally meets approximately six times per year in State Bar offices, and participation on at least one subcommittee via teleconference is mandatory. Lawyer applicants to BLS must be certified specialists in their fields unless a specialty does not currently exist for that field (e.g., labor and employment law). Specialties exist for: Admiralty and Maritime Law; Appellate Law; Bankruptcy Law; Criminal Law; Estate Planning Trust and Probate Law; Family Law; Franchise and Distribution Law; Immigration and Nationality Law; Legal Malpractice Law; Taxation Law; and Workers' Compensation Law.

BLS aims to achieve a balanced representation of geographic and certified specialty areas (based on the size of the specialty), and also looks for experience in areas such as education, examination development, public relations and skills to develop new potential certified specialties. Non-lawyer applicants are selected when their experience will contribute to the goals for the program.

Advisory Law Commissions to the Board of Legal Specialization.

The eleven advisory commissions advise the Board of Legal Specialization in the administration of the program for certifying legal specialists in each of the following specialties: Admiralty and Maritime Law; Appellate Law; Bankruptcy Law; Criminal Law; Estate Planning, Trust and Probate Law; Family Law; Franchise and Distribution Law; Immigration and Nationality Law; Legal Malpractice Law; Taxation Law; and Workers' Compensation Law.

Advisory commissions are composed of nine members, including at least one non-lawyer public member. The advisory commissions draft and grade the legal specialization applications, provide initial recommendations on applications for certification, providers of continuing education in the certified specialty area, program outreach, and program rules and standards. Those applying to this commission should be prepared to allot time to draft and/or grade questions outside of the advisory commission meetings. There will always be significant notice as to timing and due

dates for these assignments. No prior experience in drafting or grading is required, as training is provided.

For 2012-13, except for the Admiralty and Maritime Law, Franchise and Distribution Law, and Legal Malpractice Law Advisory Commissions, all lawyer applicants to the advisory commissions must be certified specialists. Non-lawyer applicants and applicants to the Admiralty and Maritime Law, Franchise and Distribution Law, and Legal Malpractice Law Advisory Commissions are selected when their expertise will contribute to the goals of the program.

The advisory commissions meet approximately eight times per year in a combination of teleconferences and meetings generally located at the State Bar offices in San Francisco or Los Angeles. The advisory commissions, their chairs and staff contacts are listed below.

OTHER ENTITY APPOINTMENTS

American Bar Association (ABA) House of

Delegates. The control and administration of the ABA is vested in the House of Delegates, the policy-making body of the association. The House of Delegates meets twice each year, at ABA Annual and Midyear Meetings.

Action taken by the House of Delegates on specific issues becomes official ABA policy. Pursuant to the ABA Constitution, the State Bar of California appoints 11 delegates, one of whom serves as the young lawyer delegate, to the House of Delegates. The State Bar's delegates are part of California delegation, which consists of other delegates appointed by ten local bar associations, ABA sections and divisions, and former officers and ABA board members. The elected State Delegate heads the California delegation.

State Bar delegates serve two-year terms, beginning and ending upon adjournment of the ABA Annual Meeting in August. Terms are staggered with six terms expiring in even-numbered years (e.g., 2012) and five terms, including the young lawyer term, expiring in odd-numbered years. Delegates may serve up to three consecutive terms or six consecutive years.

Delegates must be ABA members in good standing throughout their tenure as delegates and **must pay their own travel expenses**. The delegates are expected to attend the Midyear and Annual ABA meetings, and on occasion, to participate in conference calls. Each year, delegates' attendance at the ABA House meetings is verified and comments regarding participation are solicited from the California State delegate.

The State Bar may also appoint one or more alternates to serve in the place of any delegate who is unable to attend the Midyear or Annual Meeting. An alternate serves a one-year term and has no official standing with the ABA until he or she is certified by the State Bar to replace a delegate.

In considering applications, the Board weighs the applicants' qualifications, participation in ABA activities and work contributed to the organization in the past two years, knowledge and understanding of current issues before the House of Delegates, and the State Bar's selection guidelines (see below). The Board is expected to make the appointments at its March 2012 meeting.

State Bar Selection Guidelines for the ABA House of Delegates. The State Bar will strive to appoint members from its applicant pool meeting the following guidelines:

- One (1) delegate who qualifies as the young lawyer representative [i.e., the delegate must be less than 35 years of age at the commencement of the term; this position is currently filled];
- Up to two (2) delegates to include the most immediate past member of the ABA Board of Governors and any

immediate past officer of the ABA from the California ABA Delegation;

- Two (2) members who have not had substantial volunteer experience but who possess the leadership and other skills to be successful delegation members; and,
- Six (6) delegates who have substantial bar experience, especially with the ABA, and are typical of other State Bar appointments.

Unless otherwise authorized by the Board, each member of the State Bar's ABA delegation is eligible for reappointment to no more than three consecutive two-year appointments or a maximum of six consecutive years of service with the delegation.

Delegates who have completed such service may apply in the future after a period of not less than two years from the date of the expiration of the delegate's last term of service with the State Bar. All members are encouraged to become broadly participant in ABA activities in order to fully represent the interests of California attorneys.

Application deadline: February 1, 2012. See filing instructions on the application form. Incumbents eligible for an additional term must submit a 2012-13 application.

Available positions: 6 delegate seats

Judicial Council. The Judicial Council is a state constitutional agency that provides policy direction to the courts, the Governor, and the Legislature concerning court practice, procedure and administration. The Judicial Council consists of the Chief Justice, one associate justice of the Supreme Court, three justices of the Courts of Appeal, ten judges of the superior courts, four lawyers appointed by the State Bar, one member appointed by the legislative leaders in each house of the Legislature, two nonvoting court administrators, and other nonvoting positions as determined by the council. The four lawyer members are appointed to staggered three-year terms. Members receive no compensation for services but are reimbursed by the council for approved travel expenses.

In 2012, the State Bar will have one lawyer position to fill on the council. The term begins September 15, 2012, and ends September 14, 2015.

Service on the council is a significant time commitment (approximately 300 hours per year for meetings and assignments). Each year the council meets six to eight

times, with the meetings typically set for two days (usually Thursday and Friday). Members serve on one of the council's internal committees, which meet frequently at a convenient location or by conference call. In addition, council members are assigned special tasks, which are supported by staff. The council reimburses members for their travel expenses in accordance with the reimbursement schedule for state employees. Information about the council is available at its Web site: www.courts.ca.gov/policyadmin-jc.htm

Criteria deemed important for service on the council are: 1) demonstrated interest in and experience with court administration issues; 2) broad experience in the legal field, including trial experience; 3) a keen analytical ability, independent judgment and a big picture perspective regarding the role of the judicial branch; and 4) collegial working relationships and credibility as a leader both within the home county and statewide. At its discretion, the Board may conduct interviews of selected applicants. The Board is expected to make the appointments at its March or May 2012 meeting.

2013 Commission on Judicial Nominees Evaluation (JNE Commission). The JNE Commission, established pursuant to Government Code Section 12011.5, evaluates all candidates who are under consideration for a judicial appointment by the governor. It is composed of lawyers in active practice and public members (non-lawyers). The all-volunteer commission consists of 38 commissioners. The commission cannot nominate or appoint judges; it does, however, thoroughly investigate candidates for judicial appointment while maintaining a code of strict confidentiality.

Commissioners serve terms of approximately one year and may serve up to three consecutive terms. Commissioners receive no compensation for services.

The State Bar seeks applications from California lawyers and members of the public whose background, skills and experience would enable them to assess candidates for judicial appointment in a thorough, objective and professional manner and to provide timely and well-written reports.

Lawyer applicants must be in active practice, and it is preferred that they have been in practice for ten or more years. Consideration will be given to lawyer applicants

who have substantial litigation, trial and/or appellate experience. The commission membership may include one or more former members of the judiciary, with a preference for those with appellate backgrounds.

Time Commitment and Workload. Those who apply must be available to attend a two-day Orientation meeting scheduled February 1-2, 2013, and must be able to commit at least 40 hours each month. In addition, there are 12-14 meeting days a year. The meetings last two days (usually Friday and Saturday) and take place every second month. The meetings alternate between San Francisco and Los Angeles.

Commissioners work in teams of two to four. Typically, each team will have two to four assignments. Commissioners may travel outside their county and geographic area to conduct interviews. Interviews may last between two and three hours. Interviews are conducted at one of the State Bar's offices, and commissioners are reimbursed for approved travel in accordance with State Bar policy and the commission's authorized budget.

Oath and Conditions of Appointment. Each commissioner takes an oath of office and is sworn in at the mandatory Orientation meeting. Because a portion of the JNE Commission's work is conducted electronically, commissioners must have access to a computer and an e-mail address that can be published at the State Bar's Web site.

Commissioners are subject to a criminal history clearance by the California Department of Justice and FBI. As a condition of appointment, each commissioner agrees that during his or her service on the commission, he or she will abstain from endorsing or participating in any judicial candidate's campaign for office, and will refrain from appearing before or voting on any other committee or commission involved in the judicial selection process.

Commissioners may not apply for or accept a State of California judicial appointment nor permit his or her name to be submitted for evaluation as a candidate for such an appointment while a member of the commission or until such time thereafter that a majority of the commission consists of members with whom the commission member did not serve (i.e., two or three years after completing service on the commission).

Commissioners are appointed by and serve at the will and pleasure of the Board and may be removed with or without good cause. The rules of the commission provide that a member may be removed for breach of

confidentiality, failure to perform assigned duties, and failure to attend meetings.

At its discretion, the Board may conduct interviews of selected applicants. The Board is expected to make the appointments at its July 2012 meeting.

Application Deadline: June 1, 2012. See filing instructions on the application form.
